

Revised 9/8/22

## **Reminder:**

If your child is sick, please keep them home.

### **2022-23 covid protocols**

- Covid Positive- C+ - with symptoms-** If your symptoms have not improved after 5 days, continue to stay home until symptoms improve. Wear a mask for 10 days total from your first date of symptoms (if not able to wear mask quarantine for 10 days return on day 11).
- Covid Positive- C+ - with improving symptoms-** If you have no symptoms, or your symptoms are resolving after 5 days, you can return to school or work. You must wear a mask for 5 additional days when around others. (if not able to wear mask quarantine for 10 days return on day 11).
- Covid Positive- C+ - asymptomatic-** If no symptoms and test positive, quarantine for 5 days and wear a well fitting mask the next 5 days (if not able to wear mask quarantine for 10 days return on day 11).

**Day after symptom onset is day 1. For example if symptoms start Friday then Saturday is day 1.**

**The Gillett School District will not be contact tracing.**
