While important, the State Report Card is just one snapshot of our District and does not illustrate the many elective courses, NWTC classes and other transcribed courses, and CTE industry certifications that we offer within the Gillett School District and does not account for the high quality learning environment that values and respects each individual student's needs.

The statement above is provided by the school. It is not an evaluation by the Wisconsin DPI.

Area Scores

ACHIEVEMENT

This priority area summarizes how this school's students performed on state assessments using a points-based proficiency system that gives partial credit for Basic test performance and extra credit for Advanced performance. The score is a multi-year average of English language arts and mathematics subscores.

Priority Area Score

This school's score was the same or higher than 43.9% of 9-12 schools in the state.

English Language Arts Score: 59.0

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

Priority Area Score

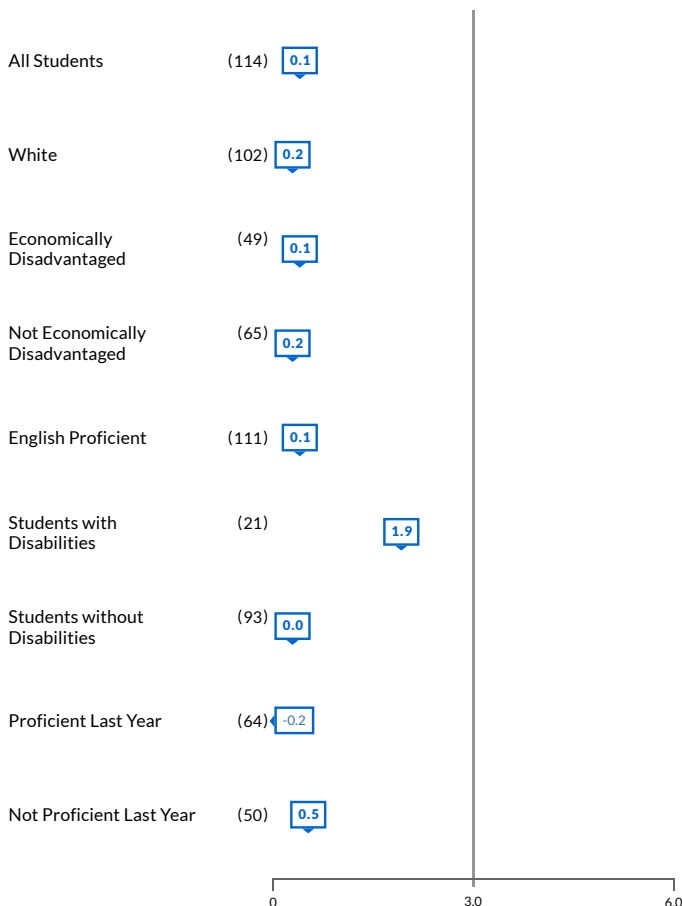

English Language Arts Score: 10.9

Mathematics Score: 24.2

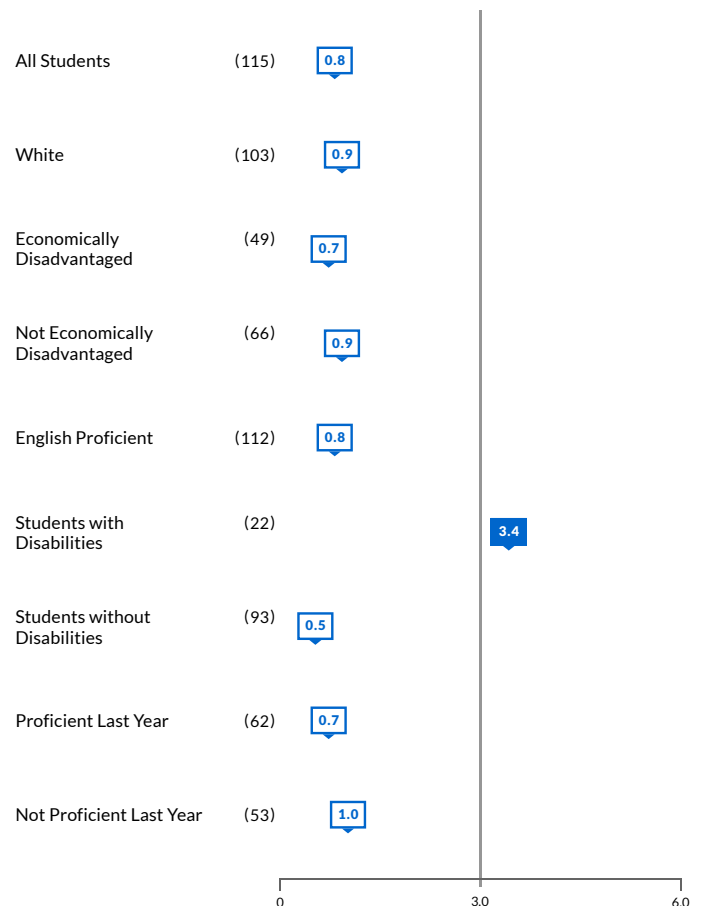

Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students are not displayed. Shaded boxes indicate higher-than-average scores.

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores – the Target Group. It is designed to promote equity by helping schools focus on learners who need the most support while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.

CHRONIC ABSENTEEISM

Score: 74.9

Score is 1 minus actual chronic absenteeism rate – the percentage of students who missed more than 10% of school days – so a higher score is better.

ATTENDANCE

Score: 88.9

This score is the overall attendance rate for the Target Group in 2019-20.
