# Tiger Times

Gillett School District Newsletter

August 2017

---

As I drive through the countryside, I notice the tassels on a number of cornfields coming up. I know some of the cornfields had a bit of a late start with the wet weather, but the fields seem to be coming along just fine. Seeing the corn tassels is a reminder to me that the start of a new school year is right around the corner.

The start of a new school year is filled with excitement and sometimes a little anxiety for both parents and students. Keeping a focus on the positives will help students maintain a good attitude and get a great start to a healthy and safe school year. Some of the positives to feel excited about include:

- “Being able to spend time with friends.” It is hard to keep up with all your friends during the summer, but with school back in session, you get to actually see your friends and meet new friends rather than communicating through Facebook messages.
- “Something is always going on.” Whether it’s an activity or an event, there is almost always something going on at school that you can be a part of. Just be sure to get involved and take part in the opportunities that are there.
- “New things.” A new school year brings new classes, new teachers, new friends, and new activities. Each year you get a fresh start to make the school year your best one yet.
- “Independence and maturity.” Each school year means you have a little more responsibility to make decisions and a little more independence that makes you a special person.

There is a lot to look forward to in a new school year. Be sure to enjoy every second of your summer, but that doesn’t mean that you can’t be excited to return to school in September. It’s going to be a great year!

Todd Carlson - District Administrator

The mission of the Gillett School District is to offer students a high quality educational experience in a secure learning environment which recognizes, values, and responds to student’s individual needs.

## **Gillett Welcomes New Secondary School Principal**

---

Hi! I would like to take a moment to introduce myself. My name is Jason Dreier and I am the incoming principal of Gillett Secondary School. Originally from New London, WI, I moved to Stevens Point to attend UWSP to study History and Education. From there I went on to teach history, sociology, psychology, and even a little government at Ashwaubenon High School. While teaching there I also did some coaching, advising, and directing a variety of clubs, sports, and activities. I received my Master's degree in Educational Leadership from Marian University with an emphasis on the principalship and curriculum and instruction.

Personally, I have a wonderful and supportive wife, Gina, and three boisterous daughters, Madeline (9), Grace (7), and Charlotte (2). In my free time, I enjoy playing guitar, reading non-fiction books, curling, gardening, cooking, and staying active with my family. I'm very excited to have the opportunity to become part of the Gillett community and look forward to meeting the staff, students, and parents in the coming weeks. With the amount of positivity I've received so far, I am sure that every day will be a great day to be a Tiger!

Mr. Dreier – Secondary School Principal

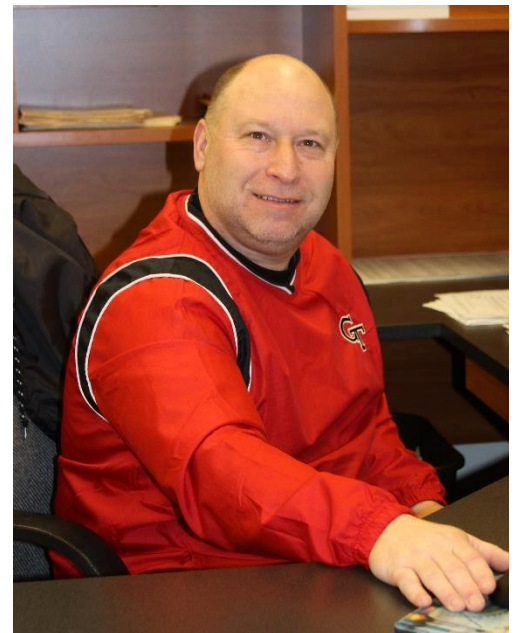

## **Kaczmarek Thanked for His Dedication to Gillett Athletics**

---

The end of the 2016-17 school year marked the end of an era for Gillett Athletics. Mike Kaczmarek handed over the Athletic Director title to Mark Sparks and officially ended his tenure with Gillett Athletics.

Kaczmarek started at Gillett as a junior high football coach in 1993. Through his time at Gillett, he coached several different sports. Eventually he added the title of Athletic Director to his resume. He held that title at Gillett for 19 years.

Mr. Sparks and Mr. Kaczmarek worked together during the last school year to make the transition a smooth one for athletes, coaches, and the school. The School District would like to thank Mr. Kaczmarek for all his hard work and dedication and wish him well in his future endeavors.

## Community Invited to our Annual Summer Splash

---

On August 30<sup>th</sup>, the Gillett School District will again host “Summer Splash” in the Elementary School Gym from 5 to 7pm. This community event is a kickoff to the school year. There will be games and bouncy houses along with hot dogs, chips and water. Representatives from several community organizations will also be available that night. This is a great chance for school families and community members to get to know each other, as well as get to know the school staff.

## Back-to-School Activities Planned

---

On Wednesday, August 30<sup>th</sup>, our parents and students are invited to **Back-To-School Night**. Classrooms in both schools will be open from 4 to 6pm. This is an opportunity for students and parents to come in, meet their teacher(s), bring in their school supplies, and finish any registration papers prior to the start of school. Secondary school students can pick up their schedules and find their classrooms, while elementary students can unpack their new supplies.

Lamers Bus Line will be contacting parents to let them know pick-up and drop-off times prior to school starting. If you have questions about bussing, Lamers can be contacted directly at 920-590-0623. A representative will also be available at Summer Splash.

On Tuesday, August 15<sup>th</sup> from 10am to 4 pm, there will be a walk in scheduling day with Mrs. Parker for all **High School** students. This is a first come, first serve time where high school students can come to the Guidance room to change their schedule. Schedules will not be changed after the third day of school, so meeting with Mrs. Parker about a schedule concern would be a great opportunity to plan for the 2017/18 school year.

Incoming **Freshmen** and their parents are encouraged to schedule a Transition Meeting with Mrs. Parker on August 16<sup>th</sup>, 23<sup>rd</sup>, or 24<sup>th</sup>. At these meetings students, parents, and Mrs. Parker will discuss individual's academic career plan and transition to high school. Notes were mailed to families with more information on these meetings. Please contact Mrs. Wocking in the Secondary School office to schedule a time.

**Sixth Grade** students and parents are invited to a special orientation session on August 30<sup>th</sup> starting at 3:30pm in the Middle School. This meeting is to give students and parents transitioning between buildings time to check out the building, meet the teachers, and learn more about the changes they can expect from Grade School to Middle School. They will also be given time to practice necessary Secondary School skills, like opening combination locks.

## Grading Changes Coming to Both Buildings

---

For the upcoming school year, there will be some changes to when parents receive grading reports. In the past, both schools ran on a traditional quarter format. For the 2017-18 school year, the Elementary School will move to trimesters, while the Secondary School will change to a semester format.

At the Elementary School, there will be three trimester report cards sent home. Parents will also receive progress reports at the midpoint of each trimester. This allows teachers to get enough data and information to report on in some classes, as well as lining up with the intervention cycles.

At the Secondary School, there will be two semester report cards sent home. Instead of quarterly report cards, two progress reports will be sent out during each semester to keep parent apprised of students' progress. Parents are also encouraged to use the school's Infinite Campus Parent Portal to check student's grades at any point during the semester. This change better aligns with the final transcripts students receive upon graduation.

The dates for these changes during the 2017-18 school year are as follows:

### Elementary School

October 13 - Progress Report  
December 1 - 1st Trimester Ends/Report Cards  
December 7 & 14 - Parent/Teacher Conferences  
February 1 - Progress Report  
March 8 - 2nd Trimester Ends/Report Cards  
March 15 & 22 - Parent/Teacher Conferences  
April 20 - Progress Reports  
June 8 - 3rd Trimester Ends/Report Card

### Secondary School

October 13 - Progress Report  
November 2 - Parent/Teacher Conferences  
December 1 - Progress Report  
January 18 - Semester Ends/Report Cards  
March 8 - Progress Report  
March 15 - Parent/Teacher Conferences  
April 20 - Progress Report  
June 8 - Semester Ends/Report Cards

In the end, the goal is to insure that parents have opportunities to get information on their student's academic progress. All of the staff in the Gillett School District place the highest importance on children's education and in fostering communication with parents. If parents have any questions, concerns, or compliments at any point during the school year, they should feel free to contact their child's teacher(s).

## Elementary Principal

---

The start of another school year at Gillett Elementary School is just around the corner, and I would like to extend a warm welcome to all of our families and children joining us in just a few short weeks! Our staff is excited for the arrival of their new students and have been busily preparing for the first day of school.

For our four-year-old kindergarten parents, we are happy to let you know that our 4K classes will run both morning and afternoon sessions. While I am sure all students are anxious to find out who their classroom teachers will be, we will be releasing that information at this year's Summer Splash, as usual. Until then, let me assure you that your child has a GREAT teacher this year.

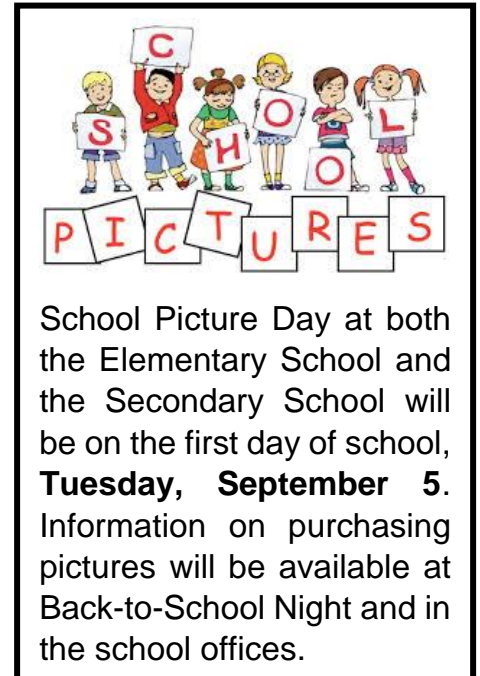

Our first day of school begins at 7:50am on Tuesday, September 5<sup>th</sup>. Students who wish to have breakfast should be here at 7:30am, when the doors open. The school day ends at 3:05pm each day. If you are picking students up, please make sure you are here by that time. We continue to ask that all changes to after school plans be sent in a note in the morning or made by a call to the office by 2:30pm. This helps us to insure all students make it safely to where their parents plan for them to go.

We will continue to use the system of buzzing visitors into the building once the school day has started. This year, we will be adding the necessity to be buzzed into the office area after you are buzzed into the school. This will help keep our classroom areas completely secure. Keeping children safe is and always will be our first most priority at Gillett Elementary School. We hope you understand this change in procedure is being done for the safety of your child and all of our students.

Our annual Title I Fall Meeting will be held in the Elementary library at 5:00pm on Monday, September 25<sup>th</sup>. This is an important get-together to discuss our Title programming. Parents help us create a compact and give us direction on how they would like to see our parent involvement programs conducted. If you would like to be a part of that, we encourage you to attend.

Our Tiger Way is easy to remember: BE SAFE, BE RESPECTFUL, BE RESPONSIBLE, and Be PROUD to be a TIGER! Here's looking forward to a GREAT school year at Gillett Elementary. If you ever have any questions, concerns, or compliments, it's my pleasure to speak with you. Contact me at [cangeli@gillett.k12.wi.us](mailto:cangeli@gillett.k12.wi.us) or call me at (920) 855-2119.

Mr. Angeli – Elementary Principal

School Picture Day at both the Elementary School and the Secondary School will be on the first day of school, **Tuesday, September 5**. Information on purchasing pictures will be available at Back-to-School Night and in the school offices.

- August 28** – New Staff In-Service
- August 29 to 31** – Teacher In-Service
- September 5** – First Day of School for Students
- September 29** – No School – Teacher In-Service
- October 20** – No School – Teacher In-Service with Suring
- November 2** – Secondary School Parent/Teacher Conferences\*
- November 20 to 24** – Thanksgiving Break – Teacher In-Service on 20-21
- December 1** – End of 1<sup>st</sup> Trimester at the Elementary School
- December 7 & 14** – Elementary School Parent/Teacher Conferences\*
- December 25 to January 1** – Christmas Break
- January 18** – End of 1<sup>st</sup> Semester at the Secondary School
- January 19** – No School – Teacher In-Service
- February 16** – No School – Teacher In-Service
- March 8** – End of 2<sup>nd</sup> Trimester at the Elementary School
- March 9** – No School – Teacher In-Service
- March 15** – Secondary School Parent/Teacher Conferences\*
- March 15 & 22** – Elementary School Parent/Teacher Conferences\*
- March 26 to 30** – Spring Break
- May 11** – Early Release – Teacher In-Service
- May 27** – Graduation Day
- May 28** – Memorial Day – No School
- June 8** – Last Day of School – Half Day for Students

\* All Parent/Teacher Conferences will be in the evenings. Students will have a full day of school on those days.

### **Join Our District on the Web**

---

As technology moves forward, so does our school's ability to communicate with the public. Our District has its own Facebook page. Please visit Gillett School District on Facebook and give it a "like"! We have plenty of events and activities we love to share with our community. Also, check out our district web page at <http://www.gillett.k12.wi.us> for announcements, sports schedules, staff contact information, and much, much more.

## Summer School Keeps Kids Engaged in Learning

---

For six weeks of summer, the schools were buzzing with the sounds of students learning and exploring. There were 311 students that participated in at least one week of summer school this year. In an average week there were about 220 students, so many students choose to come in for multiple weeks. Over 25 teachers came up with units to

Students Scrapbooking

Students making Ladybugs

offer students that included woodworking, Harry Potter, work outs, random acts of kindness, scrapbooking, and touring Gillett along with remedial classes to catch students up or make sure they don't experience a huge "summer slide."

This program included free breakfast and lunch for all students. Community children under the age of 18 could eat even if they weren't in summer school. On a typical day, 125 students ate at school. The food program is paid for through a state funded summer food grant, helping the students and the community.

A Great Lunch after a Morning of Learning

## Gillett FFA Update

---

The FFA is an organization consisting of students from grade 6-12 that provides a road to leadership and success in the agricultural industry. The 2017-2018 Gillett FFA Officer Team consists of Hanna Brock - President, Kalea Britton - Vice President, Evan Rank - Vice President/Parliamentarian, Ashley Britton - Reporter, Justin Engebretson - Secretary, and Hunter Poffinbarger -Treasurer. The 2017- 2018 Gillett FFA officers had their officer retreat from July 19-21 to discuss important dates, plan for the upcoming year, build as a team, and get to know one another.

2017-18 FFA Officers and Advisor, Mrs. DeBauch. Photo by Mirror Image Photography

Members helped out at Breakfast on the Farm at Rockledge Farms in Lena, WI on Sunday June 11th, 2017. FFA members helped with the educational tent, the petting zoo, and served food. State FFA convention was held from June 12-15. Kalea Britton, Evan Rank, and Ashley Britton went to Madison to represent the Gillett FFA. The FFA also participated in Dairy

at Dusk at the Kohls Dairy Farm.

Upcoming events include the Oconto County Fair, August 12-13 & 17-20. The Gillett FFA Open House will be on Monday, September 18 at 6PM in the Ag room. All students and their families are invited to come in and discover what FFA is all about.

We would like to thank the FFA Alumni for the continued support, especially for helping us go to State Convention. We would also like to thank Johnna Brock for our Officer Team Pictures, through Mirror Image Photography.

Ashley Britton – FFA Reporter

## Academic and Career Planning at Gillett School District

---

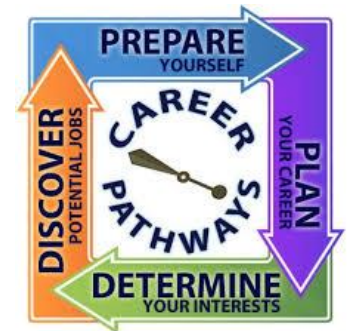

Starting this fall, all Gillett Secondary students will participate in an Academic and Career Planning, or ACP, program. ACP is a student-driven, adult-supported process in which students create and cultivate their own unique and information-based visions for postsecondary success. They will obtain this vision through self-exploration, career exploration, and the development of career management and planning skills. Beginning with the Career Cruising Exploratory in middle school that focuses on the Academic, Personal/Social, and Career domains and ending with the successful completion of a portfolio by the time they graduate, students will better prepare themselves for their future.

Four stages make the ACP process successful:

- *Who am I?* Students begin to get to know their interests, skills, and strengths as early as sixth grade.
- *Where do I want to go?* Students explore career pathways and educational opportunities. During high school, students are guided through the planning process.
- *How do I get there?* Students set goals and choose specific courses to guide them. They will also be given opportunities to write resumes and fill out job applications.
- *GO!* This allows students to showcase their portfolios and academic work.

The goal of the program is to produce responsible Gillett High School graduates who will begin their adult lives with knowledge, skills, motivation, and a self-directed plan for career and life long success.

Kim Klister – Special Education Director

## Gillett PTO

---

The Gillett Parent-Teacher Organization (PTO) has been actively helping the students of the District for nearly 30 years. This group collaborates on ways to help students, staff, and families of the district. Although it focuses on the Elementary Building, it also helps out at the Secondary Building. In the past, this organization has funded and installed new playground equipment. This group pays for student magazines for classroom use and plan two family fun nights at the Elementary each year. The PTO was also instrumental in getting the crossing guard placed by Memorial Park and a four way stop placed at Elm and Fourth Streets for the safety of students.

Any parent, staff, or community member interested in becoming part of this group, is encouraged to attend a monthly meeting. Most meetings are the first Monday of the month at 6:00pm. Due to Labor Day, the next meeting will be on Monday, September 11<sup>th</sup>. Meetings are held in the elementary school library.

## School Meal Prices for 2017 - 2018

---

### ELEMENTARY (K-5) Lunch

Full Price	\$2.75
Reduced	\$0.40
Adult	\$3.90

### SECONDARY (6-12) Lunch

Full Price	\$2.90
Reduced	\$0.40
Adult	\$3.90

### ELEMENTARY & SECONDARY BREAKFAST

Full Price	\$2.10
Reduced	\$0.30
Adult	\$2.50

## Free & Reduced Meal Information

---

Each year, nearly half of our families qualify for help with the cost of school meals. Not only does this help our families, but it helps our schools. There are several opportunities for grants and aid that the school is able to take advantage of based on the number of students that qualify for free and reduced meals.

Free & Reduced Meal Benefit Applications will be available at both schools, on the website, and in the District Office. Please complete the confidential application if you feel your household meets the criteria. Please return the completed application to any Gillett School office. The sooner the application is returned, the faster the application will be processed, however, you can apply at any time during the school year. Applications do expire. Each October, any eligibility from the previous school year will expire unless you have already successfully completed a new application form. It is important to submit a new application each year.

If you receive a letter in the mail in August 2017 indicating you have qualified for free meals through State benefits, **do not complete the application**. Please read the letter that was sent if any school age children in your household were **not listed** on your notification letter. Contact the Food Service Coordinator, Julie Temple, (920) 855-2119 ext 5504, as they may be eligible.

Only one application per household is needed. All directions are listed on the free and reduced meal form to assist in the process. We cannot approve an application that is not complete; so please be sure to fill out ALL required information. Incomplete applications will not be processed. Any debt incurred during the processing time is the responsibility of the household. If you have questions or need any assistance in filling out the free and reduced application please contact the Food Service Coordinator, Julie Temple, (920) 855-2119 ext 5504.

# School Supply Lists and Vaccination Requirements

---

## Vaccinations Required:

- ✓ 4-Year-Old Kindergarten: 4 Dtap, 3 Polio, 3 Hepatitis B, 1 MMR, 1 Varicella
- ✓ 5-Year-Old Kindergarten to 5<sup>th</sup> Grade: 4 Dtap, 4 Polio, 3 Hepatitis B, 2 MMR, 2 Varicella
- ✓ 6<sup>th</sup> Grade to 12<sup>th</sup> Grade: 1Tdap in addition to vaccines previously required.

### 4-Year-Old Kindergarten

- School Bag
- Plastic 3-Prong Folder
- Pencil Box

- 12" Plastic Ruler with Inches and Centimeters
- 24 Count Crayons
- 10 Count Markers
- 12 Count Colored Pencils
- 2 Boxes of Tissues
- 1 to 2 Packages of Clorox Wipes
- 3 Clear Empty 2-Liter Soda Bottles
- 4x6 Family Picture
- Headphones or Earbuds

**5<sup>th</sup> Grade Band Note:** Mr. Kulba will be having "Try It Sessions" with Fifth Graders interested in joining Band during the first few weeks of school. A fitting and parent meeting will be held once the "Try It Sessions" are complete. A representative from Heid Music will be on hand at the parent meeting for those interested in renting or purchasing an instrument.

Picture Day for both buildings will be on the first day of school, Tuesday, September 5. Information on purchasing pictures will be available at Back-to-School night and in school offices. Pictures are available for purchase with cash or check on picture day or by credit card online up to two weeks before picture day using the code provided on Lifetouch's information. By having picture day early, the student ID's are available for use earlier in the school year.
