I have had a chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of the vaccine(s) requested and ask that the vaccine(s) be given to the person named above for whom I am authorized to make this request. Oconto County Health Department will bill Medical Assistance/BadgerCare if the child is covered by those programs. I understand that a record of this immunization may be shared through the Wisconsin Immunization Registry (WIR) and with other health care providers directly involved with the vaccinated person's care. This consent form authorizes the administration of multiple doses of a vaccine, if medically indicated. This consent form will expire after the last vaccination is given in a vaccine series.
